- All Sarpanch of nearby villages, Kalyan Thasil Staff,Tahsildar visited our institution for such event.
- 650 applicants received for different types of certificate out of which 483 are benefited from our programme.

➤ Problems encountered

- It is identified that proper advertisement is needed to enhance such type of activities & benefited on larger scale of people
- People still unaware about the different scheme provided by govt.
- Out of 650 applicants 167 applications rejected due to improper documents.

➤ Evidence of success:-

- One time programme give big achievement, it will motivate us do such type of events in future.
- Applicant became happy while getting certificate in some hours which required at list 15 days in normal manner.
- Local newspaper as well as eminent personalities also appreciate us & motivate to do such type of work in future

II ULHAS RIVER CLEANLINESS PROGRAMME

➤ **Goal:**

Social responsibility & water saving & conservation is one of the goal of our institution. Through such events it can be fulfilled by us.

➤ **The content:**

Students came from nearby villages always feel sad about the condition of the river especially after Ganesh Visarjan. Our institution mainly NSS unit & volunteers always try to make awareness among the society but it found that it cannot be the effective one.

➤ **Practice:-**

- This year our institution think to do some constructive work on such issue.
- With the Help of NSS Unit All college including faculty members as well as junior college connected to our institution goes on Ulhas riverside At Pachvamil near Rayate village after Ganesh Visarjan.
- The work includes cleanliness of river from waste created during Ganesh festival which we called Nirmalya as well as Ganesh statue (mainly plaster of Paris statue) which improperly dissolve in water.
- We work there for three days on 19th September 2015 (after 1 & 1/2 days Ganesh Visarjan), On 22nd September 2015 (After 5 days Ganesh Visarjan) & on 29th September 2015 (after Anant Chaturdashi)
- NSS volunteers, students, Faculty member all try to clean Ulhas river as much as possible.
- Villagers also participate in our work with their own instruments.

➤ **Evidence of success:-**

- The villagers who are the viewer on first time become the member at the end that is a big achievement for us.
- We found that awareness cannot be done by educating only but by actual implementation is also necessary to make it effective.
- Now such type of programme is the normal yearly activity for us it also included in our yearly planning.
- All villagers, people live alongside the river, politicians as well as NGOs appreciate our work & promised to help us in future in such type of events.

➤ **Problems encountered:**

- It is difficult to overcome people from their superstitious belief.
- People still unaware about water pollution, conservation concepts.
- Our institution needs more equipments & modern technology to make such work effective.
