4.4.2
Maintains Policy

Policies and Procedures for maintaining and utilizing Physical, academic and support facilities.

Policy Details:

College has established systems and procedures for maintaining and utilizing Physical, Academic and support facilities. College has regular maintenance and periodic replenishment of essential facilities.

College policy is to have effective mechanism for the upkeep of the infrastructure and other facilities as to have optimum utilization of the facilities in order to have effective college functioning.

Systems for Maintenance and Utilization:

1. Budget provisions are made for new as well as old facilities, repairs and maintenance.
2. Departmental budget by office and library is made available every year.
3. Establishment/repairs and maintenance committee is formed. Principal is the chairperson.
4. College Development Committee is also formed for overall planning and development of college.
5. Departmental requirements for new purchases and maintenance of old is collected every year and approved in the College Development Committee meeting.
6. Stakeholders' suggestions are also considered.
7. Office interprets and analyses the requirement on the basis of necessity, urgency, available funds and budget is given to each Department.
8. Depending on availability of funds, requirements are fulfilled by establishment committee under guidance of Principal.
9. The Heads of Departments of the college takes a periodical review of repairs and maintenance requirements of their respective Departments.
10. The institution has annual maintenance contract (AMC) for physical facilities and equipment and maintained on regular basis.

Procedures for maintaining and utilization:

1. The cleaning and the maintenance of the classrooms and laboratories are done by the non-teaching staff as per cleaning schedule which is monitored by head of the department.
2. Laboratory rules and regulations are prepared and displayed for students.
3. The college has adequate number of computers with IT facilities maintained by Computer Maintenance Service Provider.
4. The Digital Classrooms are maintained on regular basis.
5. The college website is maintained regularly by website provider.
6. Maintenance of electrical equipments is regularly done through service agencies visit on call basis.
7. Rain water harvesting system helps in the maintenance of the garden.
8. Pest control is also carried out at regular intervals.
9. All the facilities like fitness center, sports facility, health care center and parking facility is maintained on regular basis.

Fee Concession Policy

The Institute endeavor to ensure that No student shall discontinue education for economic reason. Thus the Institute provides concession in fees to the poor and needy Students,

Fee concessions are available to students on application to the principal . Following is the Procedure to get fee concessions,

- 1) Students has to write formal written application to principal regarding fee concession
- 2) Students has to submit the application and appear for interview with principal along with documents of economic background and academic records
- 3) Where the principal is satisfied with the application provided, a concession may be granted
- 4) The application and/or interview process is aimed at determining a just and equitable fee which is within the family's ability to pay
- 5) Once a Fee concession is granted, the institute expects the students to pay the agreed fees in time before the due date. If there is any problem in meeting the deadline a letter of explanation should be sent to the principal
- 6) The Concession is valid for one academic year and needy students shall apply every year for getting concession in the fees
- 7) Maximum 5 % Students can be considered for fee concession. If Large number of students apply for Fee concession, student may be considered on merit basis.

Library Policy and Procedures

Knowledge and Resource dissemination to all* - The Institute facilitates the library to be used by all stakeholders.

Working hours of library: Library is opened from 10:00 Am to 05:00 Pm on all working days except Sunday and other holidays. Library Rules, Circulation Policy & Procedures

- 1) Every Student entering the library premises should have an identity card. It should be produced as and when demanded by the library staff.
- 2) Identity cards and library books are Non transferable 3) Student must handle books or any other reading material with the responsibility.
- 3) Defacing or tearing the pages will be treated as misconduct and the defaulter will be treated as misconduct and the defaulter will be strictly dealt with.
- 4) Student must consider the above-mentioned condition before borrowing otherwise they shall be held responsible for any damage or mutilation noticed at the time of returning the book.
- 5) Only three books will be issued on library account for a period of fourteen days.
- 6) Maximum ten books will be issued on faculties for a period of a semester.
- 7) Open access for all members into library.
- 8) Reference books, periodicals/journals, compact disk are not issued on home lending.
- 9) Book should be returned on or before the due date 10) If the book is returned after the due date a fine will be charged.
- 10) If the due date falls on a holiday the book should be returned on the next day.
- 11) If the books are not returned immediately after the holiday the fine will be calculated from the due due date till it is returned.

Training and Placement Policy

The Training and Placement Cell of JSSP college wants to be a link between the Job Seekers and Job Providers by building up their capacity and networking with the industries. Furthermore, the Institute wants to become preferred choice of employers with reference to campus placements.

Training and Placement Policy Guidelines for Students

- 1) At the beginning of the academic calendar, students shall be counseled to chalk out their career plan-whether to pursue higher education, start a new business, and continue their family business or to seek an employment.
- 2) Students who show interest in placement activities need to fill the placement form before the given deadline. On the basis of collected data of forms, placement officer then proceeds with preparing batch wise placement brochures.
- 3) The students who wish to apply to a particular company/organization shall submit their willingness to the Training and Placement Office before the specified deadline. No late entries shall be entertained under any circumstances. It shall be obligatory on the part of these students to attend the interviews.
- 4) The Training and Placement Office shall provide opportunities to all its registered students to secure one job at the first instance, and pursue a policy of one student one job.
- 5) After accepting a job offer, if any student decides to withdraw his/her acceptance any time during the year, he/she must inform the company concerned through the Training and Placement Office immediately.
- 6) The students selected through campus interview shall complete all the necessary formalities (e.g. medical test) asked by the employer and shall join the organization within stipulated time frame. He/she shall keep the T & P Cell updated regarding his/her progress in the Company.

Research Policy

At JSSP college, we believe that research is the cornerstone methodology for knowledge creation, and dissemination. In the fast-paced business world, research provides a framework for refinement of existing business practices. Keeping this in mind, our research policy is to "Provide support to inquisitive minds." i.e. to extend requisite support to the faculty, students and researchers in all aspects in pursuit of their quest for knowledge.

The Institute provides following support facilities to the faculty members and students to promote research in the Institute.

- 1) All the Faculty members and students are encouraged to do research.
- 2) Faculty members shall be permitted to attend conference/workshop relevant to their field of research with on duty leave.
- 3) Students are also encouraged to take attend conferences. The Registration Fees and one side travel expenses for attending any I conference in a year will be reimbursed by the Institute.
- 4) Faculty members are encouraged to apply for research projects from funding agencies or industries relevant to their field of interest.
