Title of the project: MURTADIN & RIVER SANITATION CAMP

Date: 10th to 12th September 2018

Venue: Rayta River

Objectives/ Outcomes of program:

1. To cut down on the spread of diseases in the environment
2. To improve hygiene level and can help to reduce the spread of sickness.
3. To conserve the environment
4. To protect the environment

Description of the programme:

From 10th to 12th September During Ganesh chaturthi ganesh idol immersion and Nirmalya are the chief components of water pollution. Water conservation was done for three consecutive days. Nirmalya was collected by volunteers and buried there after awakening the residents of Rayata people. The idols which are made of Plaster of Paris cause tremendous pollution to the river and to the environment. NSS volunteers prohibited the immersion of POP idols into the river and encouraged people to donate them. 12 idols were collected and instead sent back to factories for reprocessing purposes.

Learning from Programme:

Students know the importance of hygiene and sanitation.

Participants: 41 NSS volunteers

Title of the project: WATER CONSERVATION (VANRAI BANDHARA)

Date: 28th November 2017

Venue: Adopted village Belpada

Objectives/ Outcomes of program:

Conservation of water minimizing wastage and ensuring its more equitable distribution both across and within states through integrated water resources development and management .

Description of the programme:

Our NSS unit on dated 28th November 2017 built check dam in our adopted village Belpada in this event 83 volunteers took part , for this dam approx 550 cements sack were used , vasundhara sanjeevani mandal helped in giving the sacks Our NSS volunteers received appreciation from Forest Officers saying that the dam was full of its water capacity and that wild animals definitely benefited from it. In Year 2016-17, our volunteers had built 4 Dams under the forest division. After the rainy season, our volunteers again visited the dam & repaired it.

Learning from Programme:

1. justify the need for water conservation and management
2. Support the cause of water conservation
3. Identify the cause of water scarcity

Participants: 83 NSS volunteers

वनराई बंधाऱ्यासाठी पुढाकार

कल्याण तालुक्यातील गोवेली येथील जीवनदीप महाविद्यालयातील राष्ट्रीय सेवा विभागाच्या स्वयंसेवकांनी मुरुवाड येथील बेलपाडा येथे वनराई बंधारे बांधले. वनराई बंधाऱ्यात जंगलातील वाहत्या पाण्याच्या ओढ्यावर बांध बांधून पाणी अडवले जाते. जंगलातील वाहते पाणी अडवल्याने पाणी जमिनीत जिरण्यास मदत होते. तसेच जंगलातील प्राण्यांना

पिण्यासाठी पाणी उपलब्ध होते. महाविद्यालयातील सुमार नव्वद स्वयंसेवकांनी बंधारा बांधण्यास हातभार लावला. महाविद्यालयाच्या राष्ट्रीय सेवा विभागाने बेलपाडा गाव दत्तक घेतला असून ग्राम स्वच्छता, जनजागृती, शोषखट्टे आणि पाणी परीक्षणसारखे विविध उपक्रम राबविण्यात येतात.

Title of the project: ROAD SAFETY MARATHON

Date: 29th September 2017.

Venue: Goveli -Titwala road

Objectives \ Outcome of programme:

1. To give guidance on Road Safety
2. To show responsibility of securing Road Safety

Description of Programme:

Marathon was organized in our college **On 29th September 2017.** NSS Program Officer Prof. Bhagyashree Pawar guided the audience about Road Safety. And when the marathon started, NSS volunteers took the responsibility of securing the safety of those students who stayed on the road.

Feedback: students get knowledge about how to do road safety

Learning from programme:

The road safety programme is to implement measures to continuously improve road safety more effectively and to reduce the number of persons killed or seriously injured in traffic accidents.

Participation: 25 NSS volunteers
