Institutional Distinctiveness

Title: Tribal youth all round development with special focus on Women.

Today women from different social classes and backgrounds have proved their significance and that they are nowhere less in comparison to men in all various fields of life. Women have proved from time to time that their role in the nation building is a significant one. All these women need is an opportunity. The institute has always planned various programmes and events in order to make them financially independent. This initiative has proved to be a milestone and has definitely helped us achieve women empowerment.

MAHILA ROJGAR MELAVA.

The institute organized a women employment fare on October 9th 2016 for the women living in areas nearby our college. Our Students visited nearby villages and informed the women about that event. As a result, this event turned out to be a big success. over 137 women registered their presence. 89 women, from the 137 women who participated found employment in an undergarments company called Juliet Apparels ltd Kongoan. The company provided them with bus or other facilities of transportation. So these women are working wholeheartedly for their better livelihood. On the grounds of this success, the institute organized yet another campaign like the earlier one on January 22nd 2017. In this event the students worked on encouraging more and more women to join this initiative and tried to get to know the problem of women already working.

Many families benefited from this programme. This initiative saved many families from falling apart. But most importantly it has helped women understand their worth and increased their self- esteem.

ONE DAY WORK SHOP

On 17th January 2016, National Service Scheme and Women's Forum Department organized a one-day legal workshop by inviting women Self help groups in the area. 150 women's took part in this session. Attendees and testimonies of the groups were honoured. The program received a good response from women in the area. Our 57 students done the management work like filling up the form, lunch arrangement etc

MAHILA SANMAN SOHALA / INTERNATIONAL WOMEN'S DAY

The institute organized an event to honour the Female achievers from Political, Social Sports and other various fields on the occasion of International Women's day **On March 8th 2017**. In this event about 13 women were honoured for their outstanding contribution in different fields. The chief guest of this event PSI Mr. Venkatesh Aandhale gave his speech on the Empowerment of Women. About 170 women were present on the occasion.

ECONOMIC LEADERSHIP DEVELOPMENT PROGRAM

Self-help groups can play an important role in women's financial empowerment. These women produce on a large scale, but what is difficult for them is getting market. Maharashtra Shrama Vidnyan Sanshta Mumbai and our institute three day financial leadership development campaign for Self-help groups. Between 24th February 2018 to 26th February 2018. Over 60 female beneficiaries received advantage from this campaign.

RUBELLA VACCINATION

Rural areas often face many problems and the health issues are one of the biggest problems of them all. However women's health is neglected largely. Our students have implemented a lot of health campaigns for women's health.

Depression, decline in environmental balance, some hereditary issues, overdose of medicine etc. Can cause the child to be mentally or physically handicapped. To which there is no solution, but if the women are given Rubella vaccination before marriage, we can definitely save the child from being born as a handicapped one.

Keeping the significance of Rubella vaccination in mind, the institute has been organizing free Rubella vaccination since 2015-16, 16-17, 17-18. Near about 520, 480, 564 girls were given then vaccination. This campaign is organized in collaboration with Rotary Club Dombivli North. Our institute has put efforts from time to time to take care of women's health.

MAHILA SANMAN SOHALA / INTERNATIONAL WOMEN'S DAY

‘महिलांची सुरक्षितता अत्यंत महत्त्वाची’

‘समाजाच्या प्रगतीमध्ये महिलांची भूमिका महत्त्वाची आहे. स्वतः दुःख आणि त्यांना सहन करून त्या कुटुंबाच्या उन्नतीसाठी जटन असतात, त्यांचा सन्मान होणे आवश्यक आहेच, मात्र त्यापेक्षा परावृत्तिर पडणाऱ्या महिलांची सुरक्षितता अधिक महत्त्वाची आहे.’ असे मत ठाणे शारीरिक वृत्ते शाखेचे पोलीस अधिकारी वैकट आंधळे यांनी जीवनदीप महाविद्यालयात जागतिक महिला दिनानिमित्त आयोजित कार्यक्रमात केलं.

राष्ट्रीय सेवा योजना विभागाच्या भाग्यश्री पवार, सुमन सेल विभागाच्या प्रा. सोनायणे व महिला मंच विभागाच्या

प्रा. देशमुख यांनी हा कार्यक्रम आयोजित केला होता. याप्रसंगी खेळामध्ये विविध स्तरावर नावलीकिक केलेल्या महाविद्यालयातील विद्यार्थिनी आणि महाविद्यालयाच्या परिसरातील महिला सरपंचांचा सत्कार करण्यात आला. सत्कारानंतर महिला सरपंचांनी आपले मनोगत व्यक्त केलं. महिलांना लघात घुंछा दिऊ नये, कुटुंबातील प्रकारे सोपणाऱ्या वळी पडू नये, भारतीय संस्कृतीत महिलांना सर्वोच्च स्थान आहे, त्या परंपरेचा मान राखण्याची जबाबदारी आधुनिक महिलांची आहे, असे विचार यावेळी महिलांनी मांडले.
