Report of One day workshop on Research Methodology

Date : 18/12/2018

Department of Sociology and IQAC, JSSP's Arts, Commerce & Science College Goveli, Kalyan organized a one day workshop on research methodology for research scholars on 18th December 2018 at Arts, Commerce & Science College, Goveli. More than 75 research scholars attended the event. The session was handled by Dr. Surendra Thakur , Prof. Mohini Takdande and Dr. Shwetambari Takdande. The core objective of the workshop was to equip the research scholars with set of skills and potentiality to undertake the research very effectively in the disciplines of social science and to turn completed research into publishable material of high quality in the form of articles, journals and books. This workshop is designed to offer the practical guidelines and direct the researchers through all the stages of research from identifying a research problem to the submission of a dissertation, report writing and research article. The course intends to deal with variety of quantitative and qualitative research methods used in social science researches. It also gives exposure to data analysis with the help of software packages. The workshop consists of both theory and practical. By the end program they are expected to develop conceptual clarity and practical knowledge to undertake quality research and writing good research papers fieldreports and project proposals etc. The workshop commenced, after the registration of participants, introductions and Inaugural function. The event started with an official welcome address by Principal Dr. K. B. Kore, , Arts, Commerce & Science College, Goveli. Dr. Surendra Thakur , Prof. Mohini Takdande and Dr. Shwetambari Takdande resource persons of the day, further addressed the gathering. Dr. Surendra Thakur delivered how knowledge and wisdom passed to generation after generation, stressed importance as well rigor of the research and concluded the welcome note with inspirational words. He also highlighted the overview of the workshop with core aims, objectives, design and areas. Prof. Mohini Takdande explained the design of the workshop to participants and assured them of a learning experience provided in this workshop through both theory and practical sessions surely equip the researchers to carry out successful research works and overcome potential challenges. She also explained the importance of this workshop for the research scholars and academic community. Dr. Shwetambari Takdande spoke about the importance of education and how education is understood from different perspectives by scholars from different disciplines as well as importance of being a good researcher and While speaking on advised the participants how to remove gap between content and pedagogy by integration, collaboration of other departments and with other programs also the linkage between the progress in society and research by conducting research from a long term career prospective. The Program was moderated by the Head of Department Prof. Bhagyashree Pawar and the vote of thanks was given by Dr.Sanjay Kamble.
